

Book of Opportunity 2012 is the year you begin to live your life. Within these pages are the foundation of approaching each day in 2012. Quotes are known for having a unique way of being able to keep a person grounded and focused on the things of life that are most important. When a quote is read that a person is able to relate to, it often helps them put the things of importance back into perspective as they realize there are others that have been through the very same things. This is exactly why there are so many men and women that begin each of their days reading a quote of inspiration, as they work fantastic for promoting a more positive way of thinking. The book is called: "Book of Opportunity" and its first chapter is New Years Day. Since life is short, make sure you break the rules, forgive quickly, love truly, laugh madly, and never regret anything that made you smile. 12 Months happiness, 52 weeks of fun, 365 days of laughter, 8,760 hours of good times, 525,600 minutes of joy, 31,536,000 seconds of success, and an infinite amount of luck this coming year! Learn to live in the moment and find meaning to your life. Keep this close to your heart... "I am Alive and I will be heard!"
