

Contrary to popular belief, Australians don't walk upside down, and there are perfectly valid reasons why the cricket team looks like it's wearing war paint. But without this book, you won't know what they are. Whether you're planning to move or planning a holiday, these are the facts you need to know before you step on an aeroplane to the outback. A is For Australia is your indispensable guide to one of the most unique countries on earth. What is the best way to fight jet lag? How does Vegemite turn ordinary human beings into supermen? Why are elephants listed on the contents page when everyone knows there are no elephants in Australia? A is for Australia holds the answers.
