

A LIFE-CHANGING READ! Would you like to know how Satan hardwired your "internal GPS" as your go-to guidance system and marching orders for faith to reference self? Urging a closer look at our heavenly Father's plan to use Jesus Christ as the one and only reference point for faith, Apostle Eric vonAnderseck discusses Satan's plot from the beginning of time to turn faith inward. Barriers are removed for readers who have not previously considered the role of the demonic spirit of this world. Hard facts are given to understand the Antichrist spirit and his hatred & envy of mankind. This book guides the reader through the troubled waters of human history to follow Satan's footprint. Learn about the hierarchy of fallen angels, Satan's 13 princes and how each produced a counterfeit system, teaching mankind to reference self to gain a truth that is seen as good in the eyes of man, seems right when calibrated to your internal GPS, but is light years away from the will, purpose, plan, and power of God.
