

Help your students study smarter with this very practical book, chock full of invaluable advice. Research shows that the students who get the best grades are often not the ones who study the most hours, but the ones who study most efficiently. Now in this well-researched and easy-to-read book, you can find scores of helpful no- or low-cost tips for daily activities that parents and students can use to improve study skills right away. Set of 10 - ISBN 0-8108-4223-8 - \$40.00
