The plays are ideal for group/guided reading sessions, providing an excellent means for practising reading, speaking and listening skills within a supportive group context. They can be used to deliver all the NLS objectives for plays, especially focus on play adaptation and comparison of genre. The plays are also available in group-reading packs, with accompanying teachers notes, co-authored by Nick Warburton (an experienced playwright and childrens author) and Jennie Dunn (a practising teacher and drama specialist), comprehensively covering the NLS requirements for study of plays as well as offering general guidance on reading and performing the plays in the classroom.
