

The world of art is at once black-and-white and colorful, surprising and enchanting, lively and inspiring. In this realm we uncover the unknown and gain new perspective on what we already know: with these words, art collectors Sefanie Harig and Marc Ullrich launched the LUMAS gallery in 2004. And they have remained true to their founding mission: making hand-signed original editions affordable for art enthusiasts of all types. This book presents the newest highlights from renowned artists and talented young graduates from leading art programs. These pages offer a surprising and inspiring kaleidoscope for all lovers of contemporary art.
