

PTSD is a family issue. Facing The Wall: A Mission a never ending journey expands on; if one member of the family suffers so do the rest ~ trauma just does not go away. ~ yes, there is such a thing as PTSD and yes it is catchy. A broken part of the body, which is visible, a person understands. A broken soul, an injured spirit, which is unseen, many do not comprehend or believe. Mary S King

A description of tropes appearing in NeverEnding Story. Needless to say, this film does not so much break the Fourth Wall as it never really has one to begin. By the end of this post, you're going to have to make a choice. The fastest way to create a wall of defensiveness is by asserting your "knowing" without making time for play, because the journey is more important than the destination. Are you willing to look success in the face and decide to go for it?.
