

In 1974, John P. Jack Murtha became the first Vietnam combat veteran elected to Congress. In the nearly three decades since then, Congressman Murtha has been intimately involved with governmental decisions about Americas national security and foreign policy, adding his unique perspective to international affairs while faithfully representing Pennsylvanias twelfth district. From Vietnam to 9/11 combines personal memoir with thoughtful analysis to provide a behind-the-scenes account of the formation and conduct of U.S. foreign policy in the last quarter-century. At the same time, it tells the story of a man committed to service and community. This edition, updated for 2006, contains the Congressmans November 17, 2005, press release concerning the redeployment of U.S. troops, his letter to his congressional colleagues about why he changed his mind on the war, and his letter of February 2, 2006, to President Bush about changing course in the Iraq War.
