

Green Bay Packers legends recall their greatest moments - newly updated! In this newly revised edition of Chuck Carlsons Game of My Life Green Bay Packers, the greatest men to don that green and yellow uniform talk about the best, the most important, and the most entertaining game they ever played. Was it during the immortal Ice Bowl of 1967, when Bart Starr snuck across the goal line in the withering cold of Lambeau Field to beat the Dallas Cowboys? Or was it the NFC championship win over the Carolina Panthers in 1997 that sent the Packers back to the Super Bowl for the first time in 30 years? Maybe it was that mind-bending 48-47 Monday night win over the Washington Redskins in 1983, or perhaps it was one of Green Bays four Super Bowl championship victories. For a franchise with such a long and lyrical history as the Packers, there were thousands of opportunities to play a game that really mattered. Now over 20 of the greatest Packers men open up about that singular moment when it all came together. With contributions from such Packers legends as Brett Favre, Jim Taylor, Chester Marcol, and more, Game of My Life Green Bay Packers is a must-have for any Wisconsin fan.
