

Suzette has the perfect life, or so it seems. She loves her job, has a best friend who is always there for her, and is looking forward to her wedding and honeymoon, which are only days away. Then, out of the blue, in the space of one fateful afternoon she loses her job, her best friend, her fiancé, and even her Facebook friends ... and the lease on her apartment is up in just one short week. What does a girl do when her perfect life has turned to dust? When you've hit rock bottom, the only way left is up, or so the saying goes. Suzette realizes it's time to leave her old life in Los Angeles behind her and start over, but, how does one do that? Could it be time for a road trip? Look out Denver! Suzette is headed your way.
