

For over a half century Olympia Stadium was THE entertainment venue in Detroit. Almost every major sports and entertainment event was played there. The major tenant was the Detroit Red Wings. Most of the major touring ice shows also skated at the Olympia; great entertainers such as Elvis, the Beatles, KISS, Isaac Hayes, Alice Cooper, Lawrence Welk, John Denver, the Lone Ranger, and the Globetrotters stopped by to perform. In Remembering Detroit's Olympia Stadium, the author leads the reader on a fascinating journey, through the use of over 200 historic photographs, allowing us a glimpse into that building on Grand River and McGraw that was a second home to many. This volume also features the people behind the scenes who made the popcorn, cleaned the ice, sold drinks and food; took your tickets; saw you to your seats. The media, which reported the events on radio, TV, and in the newspapers, and the Red Wing Alumni who have been skating for over 40 years in old timers games raising money for charities, are all part of this celebration of Detroit's history.
