

While much work has been done on goddesses of the ancient world and the male gods of pre-Christian Scandinavia, the northern goddesses have been largely neglected. Roles of the Northern Goddess presents a highly readable study of the worship of these goddesses by men and women. With its use of evidence from early literature, popular tradition, legend and archaeology, this book investigates the role of the early hunting goddess and the local goddesses who were involved in all aspects of the household and the farm. What emerges is that the goddess was both benevolent and destructive, a powerful figure closely concerned with birth and death and with destiny of individuals.

Paperback: Policing America: Challenges & Best Practices (Careers in Law Enforcement and Public/Private Policing) 7th (seventh) edition, Stage Makeup: The Actors Complete Guide to Today's Techniques and Materials (Watson Guptill Famous Artists), L'Eglise orthodoxe: «Que sais-je ? » n° 949 (French Edition), On Light, Publishing: The Dark Side of the Publishing Industry: What Big Publishers Don't Want You to Know, Three Magic Amulets-An Old Japanese Tale, John Franklin Goucher: Citizen Of The World, Legacy 2006: Integrity,
