

Workers in China still are not guaranteed, either by law or in practice, full worker rights in accordance with international standards, including the right to organize into independent unions. Advocates for worker rights in China continued to be subjected to harassment and abuse. The All-China Federation of Trade Unions (ACFTU), the official union under the direction of the Communist Party, is the only legal trade union organization in China. All lower level unions must be affiliated with the ACFTU.
